Attention: Mr. Marios Papadopoulos, General Manager

Subject: Draft Major Modification Louisiana Pollutant Discharge Elimination System (LPDES) permit LA0041386 effective April 1, 2006, for the Town of Haughton / Haughton Wastewater Treatment Plant

Gentlemen:

Your request received on January 30, 2007, regarding the modification of LPDES permit LA0041386 and subsequent correspondence received on July 24, 2007, has been evaluated. The draft modification(s) are as follows:

The permittee requested that the permit be modified to reflect the actual design capacity of the plant, which is 0.3 MGD. The permit that was effective on April 1, 2006, based the limitations on a design capacity of 0.2 MGD, as per the application. The limitations have been adjusted to reflect the actual design capacity.

Attached is the draft revision to the Effluent Limitations page (page 2 of 2, Part I) for Outfall 001 and the revised Title Page for the requested modification. Please note that this is a DRAFT MODIFICATION only. Authorization to change your discharge will be granted only upon the receipt of an approved modification from this Office. All other conditions of the permit shall continue unchanged and remain valid until the expiration date of the permit.

This Office will publish a public notice one time in the local newspaper of general circulation, and in the Department of Environmental Quality Public Notice Mailing List. A copy of the public notice containing the specific requirements for commenting to this draft permit modification action will be sent under separate cover at the time the public notice is arranged. In accordance with LAC 33:IX.6521.A, the applicant shall receive and is responsible for paying the invoice(s) from the newspaper(s). LAC 33:IX.6521 states, "...The costs of publication shall be borne by the applicant."
